EMPLOYMENT ORIENTATION

All temporary associates must first complete both safety and site specific orientation. The standard safety and site specific orientation. The standard orientation will be under the guidelines of the standard OSHA orientation. The site specific will be under the guidelines of the client's safety manager.

We have designed a Safety Orientation with the help of our in-house OSHA productivity training "video". This will cover Hazardous Communications, Personal Protective Equipment, Blood Borne Pathogens, Lock Out/Tag Out and Confined Spaces. Our trained staff counsels all employees on the client's expectations and productivity requirements. Employees are aware they can expect safety inspections and appropriate warnings of termination if violations are found. We will provide our employees with personal protective equipment at no charge to our clients.

A standard work environment orientation will be used to guide potential employees as to what to expect on the job. **Employees will be informed about working conditions, such as:**

- General Plant Rules
- Parking
- Safety Warning / Attendance Warning Notice
- Personal Protective Equipment (PPE) Required
- Evaluation Policy
- Dress Code Guidelines
- Reporting Injury Procedures
- Procedures for Absences, Tardiness, and Emergencies
- OSHA 10 or 30 Hour Training if Required

RECRUITMENT

Create a comprehensive recruiting strategy that will ensure the right candidates are in place when needed.

STRATEGICALLY PLACED OFFICES

Wise Staffing Group has strategically located their offices in areas to locate and recruit applicants for their clients. In many areas we have 5 to 6 offices in a 50 mile radius available for those seeking employment or wanting to make a change in their career.

TECHNOLOGY

Job seekers are flocking to the internet in record numbers in search of employment. Everyone from CEO's to assembly workers can be found online. Wise Staffing Group utilizes state of the art software (Appgen) for our application process. Individuals can apply online at their convenience, post resumes and search our job postings. This powerful tool enables us to post positions simultaneously to an extensive variety of job sites, widening our recruiting reach.

REFERRALS

Employees can be a great source for candidates. We offer an employee referral program that rewards our employees for a great recommendation.

JOB FAIRS

We work with our local communities and schools to help bring in new recruits. Normally we are involved with 3 or 4 job fairs in all of our locations.

COLLEGE RECRUITING

Campus recruiting can include everything from on-site interviews and information sessions to placing ads in the local college newspapers and on information boards.

PRINT ADS

We utilize many different varieties of print advertisement. You can find our targeted and descriptive ads in local newspapers, magazines and billboards. It pays to keep your name in front of the people you are seeking.

TEXT

Our system uses mass text to reach potential employees in Wise Staffing group's database.

SCREENING ASSESSMENT

Wise Staffing Group has a comprehensive selection process to identify candidates with skills and talents that will provide you with the ideal associates. You receive immediate access to a large pool of pre-qualified applicants without spending lots of money on recruiting, advertising and most of all without losing valuable time in the hiring cycle.

QUALITY / SKILL SCREENING PROGRAM

Certain parameters can be used to judge the productivity of employees. Education and experience are good indicators, but you need more to gauge the productivity and success of the candidate. We have developed an industry-leading process to identify specific skills and knowledge, as well as, select applicants with a positive and professional attitude.

PRE-EMPLOYMENT SCREENING STARTS WITH:

- **Job Related Work Experience**
- **Favorable Work References from Previous Employers**
- **In-Depth, One-On-One Personal Interview**
- **Essential Job Functions**
- **Drug Testing**
- **Criminal Background Checks**
- **Comprehensive Skills Assessments**
- **Education Verification**
- **Motor Vehicle Report**

SKILL ASSESSMENT

Assessments are customized to meet your exact needs and skill level. They will acknowledge one's specific strengths, skills and abilities. We will determine that they have the right skill sets to get the job done. We offer assessments for: Office, Warehouse, Manufacturing, Quality, Technical, and Management.

DRUG SCREENING

Certain parameters can be used to judge the productivity of employees. Education and experience are good indicators, but you need more to gauge the productivity and success of the candidate. We have developed an industry-leading process to identify specific skills and knowledge, as well as, select applicants with a positive and professional attitude.

CRIMINAL BACKGROUND CHECK

Background checks are run on every candidate that we send out to work. This is part of our screening evaluation. You can rest assure that we have the information needed to help us make the choice for you.

CRIMINAL BACKGROUND CHECKS INCLUDE:

A Verified National Background Check: Our services verify and filter the raw data within the database search to ensure the most up to date information is being considered. Most services go back for seven years. This search gives you criminal records from counties, Department of Corrections, court records and offender registries from all states. Results will be instant if no records exists in the database.

A Comprehensive Background Check: This search entails a firsthand search into each county that the candidate lived. We can conduct a seven year or ten year search. Depending on your background standards, we can design the search that you need. These reports require a 24-72 hour turnaround time.

Driving Records/MVR Report: Motor Vehicle Reports (MVR's) work as an indicator of behavior and attitude. These records highlight driving history over the past three to seven years and include: License Type and Class, Restrictions, Expiration Date, Endorsements (if applicable), Suspension or Revocations, Violations/Tickets and DUIs, and Accidents.
